UNDER 37 C.F.R. § 1.48(b)Assistant Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450.

Sir:

An amendment of the present application pursuant to 37 C.F.R. § 1.48(b) is respectfully requested. The present application is a divisional and claims the benefit of the filing date of application Serial No. 09/323,184, filed May 28, 1999, now U.S. Patent 6,351,861. The division of the application has resulted in inventors being improperly included.

Kendall O. Show, William S. Larisey, Jr., Robert E. Anderson, Daniel C. Hillenbrand, and Joe D. McGuinness were properly named inventors in both the original and present application.

Jason C. Brooke contributed subject matter to the original application but not to the present divisional application, but was inadvertently named as an inventor in the present divisional application. Accordingly, deletion of the name of Jason C. Brooke as an inventor of the present application is respectfully requested.

The Commissioner is hereby authorized to charge the \$130 petition fee under 37 C.F.R. § 1.17(i) for correcting inventorship, and any additional fees which may be required or credit any overpayment to our Deposit Account No. 02-3223.

Respectfully submitted,
